

Important Information from Hendry County Emergency Management on Slowing the Spread of COVID-19 (Coronavirus)

- Coronavirus should be taken very seriously by people of **every age**
- Remember that social distancing and washing your hands throughout the day with soap and water is the best way to prevent the spread of Coronavirus
- Stay home as much as possible, especially if you are sick or high-risk
- Use pick-up and drive-thru options when possible
- If you **need** to go out, practice social distancing – stay 6 feet apart from other people
- For local community services and assistance, please call the United Way Helpline at 2-1-1
- If you or someone you know is experiencing symptoms of COVID-19 call your healthcare provider or a local provider
- For questions about Coronavirus, please call the Florida Department of Health 24-hour hotline 1 (866) 779-6121.
